NOTICE

Update Regarding Moore, Oklahoma Tornado

Thank you for your cooperation as we share information on the aftermath of the disaster in Moore, Oklahoma.

While thankfully there is still no report of any foreign national among the dead or injured, we have learned that a number of foreign nationals are among the families who have suffered damage to property or been displaced from their homes. **In all cases of which have come to our attention, we have been in touch with the consulate concerned.**

The Oklahoma Medical Examiner's Office has released a partial list of the fatalities. Of the 24 victims, 23 have been positively identified, and in 16 cases, the next of kin has already been notified. So far there is no foreign national known to be among those victims.

If any further information is developed concerning foreign nationals, OFM will inform the consulate or embassy concerned immediately.

As always, if we can be of assistance please contact us at: **OFMHouston@state.gov or 713-272-2865.**

If you need to contact us after business hours concerning an emergency situation, please use the 24-hour number 571-345-3146. This number is printed on the reverse of your Consular ID Card.

Thank you again for your cooperation.
